

EY STEM APP REPORT

EY STEM App is an innovative gamified learning app that aims to inspire and empower the next generation of female leaders in STEM and to create a more equal future.

EY STEM APP

EY STEM APP is a gamified mobile platform that aims to influence career choices of Girl Child Students to create a more equal future and empower the next generation of girls in STEAM (**Science, Technology, Engineering, Arts, and Math**). This is specifically designed for the Girl Child student in the ages of 13-18 years. This is no cost associated for the end user. This is a pro bono initiative of EY India sponsored by our EY Global Women in Technology (WiT) team to help build a talent pool for futuristic jobs.
